

**Rooibos Ltd gets a new website for the North American market**

**Therapeutic properties of Rooibos hailed in USA-based blog**

**Rooibos-based products best for age spots, says dermatologists**

In this newsletter, you can read more about the new website we launched to serve the North American market. Find out why we created this site and where to access it below.

We also take a look at why Rooibos-based products are being hailed as one of the top ways to beat age spots when it comes to skin care.

The therapeutic properties of Rooibos are also explored after a blog in the USA published an article that nicely sets out why Rooibos is such a beneficial beverage.

All this and more below!

**Rooibos Ltd gets a new website for the North American market**

As a global brand, Rooibos Limited is always looking for ways to effectively communicate with our clients in different parts of the world.

That's exactly why we recently launched a new website for the North American market. The website gives existing and potential clients a good overview of our company and the products we offer.

Rooibos North America is a wholly owned subsidiary of Rooibos Limited, South Africa's oldest and largest producer of Rooibos and Honeybush.

Rooibos North America is your preferred, direct-from-origin North American supplier for unparalleled quality Rooibos, Honeybush, Rosehip and Lemon Myrtle products.

**Therapeutic properties of Rooibos hailed in USA-based blog**

Recently, a blog in the USA published an article that focused on the many therapeutic benefits and properties of Rooibos.

The article looked at how Rooibos can help to improve bone health, aid indigestion, lead to healthier skin and much more.

One of the main talking points in the article is the fact that Rooibos is packed with antioxidants.

**Rooibos-based products best for age spots, says dermatologists**

Given that the delicate skin on our hands is known to be more susceptible to wear-and-tear, like age spots, fine lines, and wrinkles, caring for our hands is a crucial skin-care step one can't afford to overlook.

In a recent article on Well and Good, dermatologists hailed Rooibos-based products as one of the top remedies to use to combat age spots. The article specifically focused on a product called Goldfaden MD, Hands To Heart Anti-Aging Plus Brightening Hand Treatment.

According to them, the fact that Rooibos is used in these products helps to reduce skin irritation and it promotes good skin hydration.

**Feeling sick? Try Rooibos, the experts say!**

Headaches are one of the most common symptoms associated with the common cold. According to a new article, Rooibos can be used as an effective means of getting rid of headaches, fast!

The tea has a calming effect, which is also helpful as it can help those who are feeling sick get what they need most to gain relief from a cold: sleep!
