

Rooibos products listed as one of the top 5 iced teas in Canada

Great Lakes Brewery announces a new beer infused with Rooibos

Global fashion brands cite Rooibos as natural dye

In this newsletter, we learn that Rooibos made the cut as one of the top 5 iced teas in Canada.

Great Lakes Brewery has also announced the release of a new beer infused with Rooibos.

We can also read more about why global brands are starting to use Rooibos as a natural dye. Not only is this more sustainable, but the colour of Rooibos is rather unique, leading to a fashion craze. Find out more about this below.

We also bring you news about how Rooibos can help to combat anxiety in those who regularly drink it.

All this and more below!

Great Lakes Brewery announces a new beer infused with Rooibos

The Great Lakes Brewery, a company in Toronto, Canada, has announced the release of a new beer for Mother's Day and the Month of Mothers.

They launched their Skip the Flowers Pale Ale with Earl Grey Rooibos, stating that you should give your mom what she really wants this Mother's Day and Mother's Month.

Skip the flowers and say it with this aromatic Pale Ale infused with Earl Grey Rooibos tea, created by their Great Lakes Brewery Brewer, Matt.

InterContinental Sydney launches High Tea which includes Rooibos

The InterContinental Sydney has recently launched a new High Tea offering, which includes Rooibos as part of the menu.

The new High Tea ceremony is part of the hotel's \$120 million dollar revamp, which not only saw renovations to the building, but also to the experiences that the hotel offers. It added Rooibos to its menu due to the growing popularity of this tea, and to showcase a variety of tea from all over the world.

Global fashion brands cite Rooibos as natural dye

Those suffering from anxiety can rely on Rooibos to help combat the effects of this mental health challenge.

A recent article suggested that drinking Rooibos tea before bed can help to reduce stress and anxiety, due to the naturally calming effect that it has on those who consume it.

The article specifically recommends a mint Rooibos loose leaf tea, but any form of Rooibos should help in this regard.
